My apologies to the CC and Osage coaches for not having the times. I had a person at the finish that was using a Seiko timer to get all of the times but for some reason, this was the only race where she didn't record any times after 13th place. I'm sure it was an honest mistake and I feel bad about it, you may be able to get an estimate on your boys' time using those that were turned in by coaches.
